

Mainline Paving Preliminary Work: Northbound US 41 from US 45 to Breezewood Lane

Schedule:

June 2010 through November 2010

Location:

US 41 Northbound Lanes from US 45 to Breezewood Lane
Winnebago County

About the US 41 Project:

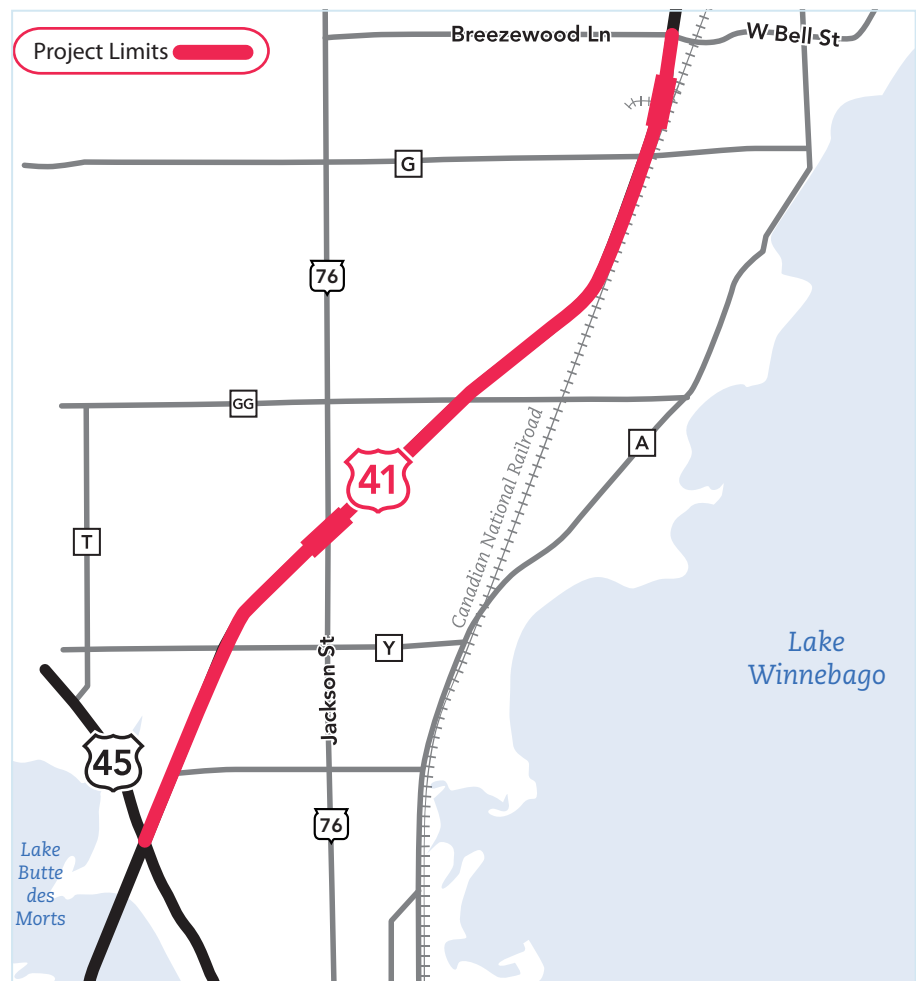

Construction work on the US 41 Project will span over 17 miles of highway in Winnebago County from 2009-2016, and 14 miles in Brown County from 2010-2016.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Northbound US 41 from US 45 to Breezewood Lane

Project Construction Timeline June 2010 through November 2010

This project involves the preliminary work needed to widen and re-construct the **US 41** northbound lanes between **US 45** and **Breezewood Lane**. Crews will widen and apply asphalt pavement to the inside and outside shoulders. In 2011, both southbound and northbound traffic will use this roadway while the existing southbound lanes are removed and completely re-constructed.

This project also involves the re-construction of the **US 41** northbound bridge over **WIS 76** and the **Canadian National Railroad spur**.

Traffic impacts:

- Periodic nighttime lane closures from 7 p.m. to 5 a.m.
